## BUILDING WITH YOU SINCE 1927

### 100% CANADIAN OWNED

McDiarmid Lumber has been providing fast, friendly and convenient service to our customers for over 80 years. We are Western Canada's provider of the most diverse range of products and services in the building and renovation market. Our worldwide sourcing practices have made it possible for us to expand our broad selection, including our newly-developed **Platinum Product Advantage** line of core building materials, ensuring the most cost-effective pricing available for both residential and commercial projects. In addition to the PPA line, we are also the exclusive Canadian dealer of **Medallion® Framed Cabinetry**, made from the finest materials, skillfully crafted and meticulously finished. These are just two of our most recently-added offerings. There's much more in store at all of our 11 retail locations — the 12th coming soon: Sioux Lookout, Ontario, April 2010.

Our housing division, **McDiarmid Homes**, specializes in custom-built, fully-finished ready to move homes. With 12 convenient locations across four provinces, our knowledgeable representatives are there with you every step of the way, as you customize your dream home or cottage, or choose from our extensive collection of pre-designed plans.

Our **Post Frame Farm & Commercial Buildings** division is staffed by a team of renowned experts, always ready to provide everything you need from concept to finish.

Collect **AIR MILES®** reward miles on all your purchases.
